**PDS Adds Matrix Solutions to its Growing List
of Vista HRMS Customers**

Blue Bell, Pa., August 18, 2009 – [PDS](#), a leading developer of web-based human resource, benefits and payroll systems, today announced that [Matrix Solutions Inc.](#), a full-service environmental management and engineering consulting company based in Calgary, Alberta, Canada, has signed an agreement for its advanced Human Resource Management System, [Vista HRMS](#)®.

“With a truly integrated HR and payroll solution, we expect our processes to be much more streamlined and less problematic,” said Jackie Hornung, HR Manager for Matrix Solutions. “With Vista HRMS, we have an in-house solution that not only provides us with total control of our data, but also a web-based interface that offers easy access to our HR, payroll and benefits data. Matrix evaluated about 15 products and selected Vista HRMS because of its tight integration, employee self service capabilities and robust technology.”

With roots dating back to 1984, Matrix Solutions now has approximately 300 employees and continues to grow in size and services. The company has seven offices serving a wide range of clients throughout western Canada.

“Matrix needed a solution that could handle the specific requirements of a Canadian company,” explained George Brady, vice president at PDS. “We have been working with Canadian organizations
